

Dear Parents,

Please read the important updates below about our Term 4 classes and End of Year Concert dates :

1. This will be the final week with an option to take class over Zoom. From Monday November 1st all classes will be back in-studio as we prepare for concerts. Please advise the office if your child will be on zoom this week.

2. We have final confirmation for concert dates!

More details to come next month!

3. The Public Health Order on mask wearing during exercise has been revised stating:

“a person (can) participate in a gym class or dance class without a fitted face covering”.

Masks will therefore not be mandatory from Monday 25th October while students are in class dancing. They will still be required for everyone 12 years and over while waiting for classes in common areas.

4. Students who catch the train to the studio and use the air bridge from Gordon Station to the Centre will only be allowed to access the level 1 lifts if they have proof of vaccination, due to having to walk through Harvey Norman.

5. Term 4 ends on Saturday December 11th. Our final week of classes will allow students to trial new styles of dance as we open up enrolments for 2022.

JF Dance Company 2022 auditions will be held on Friday December 10th.

We have loved having everyone back in the studio and seeing their smiling faces. We are so excited that we can hold all of our End of Year concerts and finish the year on a very happy note!

Kind regards,

Kim and The JF Team x
